

Amendment to the Fair Bluff Watermelon Festival
Princess, Teen Miss, & Queen Pageant Application

We have added talent as a bonus of 30% to the application.

Information for Talent Competition:

Send your talent to us on a video. The video must not be over 3 minutes. The judges will watch each video and the winner will be announced and receive a talent award at the pageant. This is for Princess, Teen Miss, & Queen divisions. Submissions can be brought to pageant rehearsal (date and time TBA) or submitted online via Google Drive (contact Brittany Moore for instructions on how to upload—brittanymoore@fairbluff.com).

Keep in mind that our pageant for the Queen division is a preliminary to the North and South Carolina Watermelon State pageant. This is not mandatory but available if she would like to compete on the state level.

We have also decided to include in our entry for contestants to our watermelon circle pageant areas (Dogwood, Rhododendron, Yam, Strawberry, Azalea, Peanut, Thresher's, etc.)
